Hur Springs (Va) Sept C 1837 Feaving the Natural Bud e about four o clock elimb in the atternoon, I proceeded on my yourney. river, where I arrived ofter dark. This to on is its int much less than 900 inities, which we easi poor in the extreme, though I should have be very conveniently travelled in secon found a good one by crossing over the river to

the little but well-built town of Buchanan. I I was a stranger, however, and knew nothing of bee. Mordicar Mirchell Alki ison, Charleston it till morning when my route led me to cross land Garland Danel Chale Exeler and Dex the bull to luge on thy way to rimeastle and the ter. North Barker Corrinna and St Albane, Sweet Springs The James river here is no in- Luther flarmond, all Van Burenites considerable stream, though it is formed but a few miles above by the juncture of Cari's Creek and the "Cow Pasture river From Buchan an to Fine stle t mude but slow progress, hav ing foundered my horse the day before 1 reached the latter place about 10 o'clock, when said Regiment Major Hiram Douty, of San-1-found people flocking into the town from every gerville, Colonel Capt Walter H. Hill, of Ex

Court was to commonee the economic that day The people had been drawn together to witness attrial about to take place, which it was expect ed, would excite much interest. One white man had mired red another in a shoemaker's sliop in the presence of a black man, but, according to the laws of Virginia, the festimany of the that the evidence of an adult and an eye witness comment and of the currency, was never before the flat the revidence of an adult and an eye witness comment and of the currency, was never before the flat but there happens to be other angles and the currency of the curre is lost, but there happens to be other evidence written. The N. Y. Commercial contains a which, though less direct is thought to be nev- stropsis of this powerful speech which we reertheless, amply sufficient to convict. Fincas, which the ambie, owing to the lite hour at The is a considerable town in the old and popul jour columns loue county of Botterourt, which notwithstand | ing it is situated high up to 11 p Alleghanies, has f seen in the State \_it is also rich in jion ore and leuby et it ut oute-

season to dine this is the oldest witting place in Kirginia, and here Washington and mained in statu quo, other watering places in the different cemetries, also goes to prote the rapid vi le neighborhood having quite eclipsed it Recent ly, however, a fine building, covering the ladies and gentlemen's baths and the Springs, and a stable, sufficient for 160 horses, have been e rected An excellent public house is being through the first and second municipalities, car cisely at half after 6 o clock, I made a safe built, 210 feet long, and to be three stories high, rying desolation in its progress, and we trust it landing on the side of Laurel Ridge, about a which will contain the dining room, ball-room, post-office, bar room, &c below, and sleeping and other rooms above. At present the abcom have been prevailing from the direction of the rocks so that I could leave it and take up my modetions here are wretched and no one can teel contented longer than a day I amy about purify the atmosphere, and that off the noxious and in the morning proceed on my voyage overone hundred persons at the table, which as not exhalations which infest our environs. Since the wounteins to the Allantic scaboard, but one hundred persons at the table, which is not Monday morning there has been a sensible before I had made my fastenings complete, the half the number they would have were their change in the temperature, caused by the winds storm overtook me, and a tremendous gust of tible better. The water is an excellent lonic, and heavy showers of the previous day, and the wind struck the balloon, broke her loose from and proves very beneficial to weak constitutions a r begins to feel quite chill and wintry. How, her incharing and her fastinings, dashed me Upon the debilitated visitors from the lower we would advise our friends, notwithstand. against the limbs of the trees and then against country it has a powerful and happy effect. To country at has a powerful and happy effect. To tance till they hear that a white front his fillen with she struck with dreadful victione against all it acts as a divircue, and, containing aulph- and danger is over. Many persons have fallen a strong him of a tree, which made three large ate of acda, it is an effectual cathartie, giving victims to the disease, by rash'y venturing with rents in the silk and causing the gas to escope, ate of acda, it is an effectual cathactic, giving the visitor a good appetite, and improving his complexion There is a large and convenient Bulletin bath, the temperature of which is 740 Fahren h is scale, Being only slightly topid, its of ing by matter of the Mat Epings Is any thing | death of its respected, talented and gentleman at pleasent. One soon becomes accustomed to nt, ho graf, when it is bull pleasant and bra al\_go- the systems the sousements here, as at most of these Springs, are gather resumment But a person wantsing stronger inducement to

place than the fact that he is gaining health. The reads to this country that are at all passable for carriages, are called, in the figurative langives of the people, turapikes, Indeed, in their tanguage they seem a privileged people, for District of Pa who ever heard of such an absurd application

submit to the inconsenience the cunus of a

> - [Fronth: Pits aigh Advocate] CLAYTON STHEETENTH ÆRIALVOY-AGL FROM PILISBURGH

On Wednesday, August duth at eight min-utes past five o clock P M, I took my farewell of terra firms, rising out of an Amphithestre. which was counded with the tashionable and the most respectable inhabitants of Pittsburgh, Allegneny town and the surrounding country A strug wind carried me in a direction little north of east, with such celerity that I had but a short time to gize it up, fren la in the Amphitheatre and at the prosperous catvor Pattsburgh and its neighboring towns. Pattsburgh had a very different apparations to a ty city util than ation in my costume, I shall not tail to consult teff re ascended from It contains splended your indicatent on the occasion, as my arbiter churches and other public bur ung , and large and well constructed ma a as, and numerous in tex inste lactor or but the whire were

saulg out tressed in rec t 1 llick as fength on the bill, and general financial politics and growth of the country. The N-Y Express sats, if the one is city and ne lib mood were in that this speech of Mr. Webster's is considered mourning the effect of the coil sin ke, which few moments I crossed the Alleghency over now and a splendid map of the surrounding country spread at my feet. The work of industrious man was now vis ble in every direction the m notonous forest had almost disappeared, the b autited panorama of sich and testile field. viriegan din color, and interspersed with cotta fred men 1 124 d mankings fille towns My In the House of Representatives, the case of course was still a little north of east, and my

I kept the main turnpike to my right, and find a fine view of the little villages and towns along side Half after five o clock, a little north of Murraysville At a quart r before sa o click, I had gived my greatest altitude, about the practised Law in Legant and here to achieve their country's independence. Over estends on the decime. The new cases are to the Thickness because grounds, too, they strolled as gav. A practitioner of a minimize was remarking to us weeks fed upon gruel and tea and hid only the and cheerful as the modern valetudinarians who so far back as Monday, that he had enjoyed dur. the day before stole from my sience humber con thronged every walk the pleasant sunny after- ing the day, one hour of le sure and freed in trary to the wish of my physician. A few min moon I passed there And, indeed since that from professional avocations, d claring it as lifes before 6, I was nearly over the town of tune until the last season, every thing has re bomething extraordinary. The diminution in Livermore, on the Concinnual river and the the number of interments, reported from the Pa Canal At 61 passed a little north of Blairs-The wind now changed and bore me in Thatement of the pestilence. It is now prevail a E S E direction. Dense clouds were now ing with the greatest violence on the upper edge forming beneath me, and heavy peals of thun der came rolling along I now determined on Its ravages seem first to have commenced in the descending as soon as I could conveniently and ower suburbs. From thence it has marched up hear the bink of the canal, if possible. Prewill soon murch off altogether quarter of a mile from the canal, and within a for the last tew divs the weather has certainly miles of Jamestown I now began to secure my been quite projetious to health. Strong gales balloon to a log or large tree that lay upon the quarter of a mile from the canal and within & Gulf, the tendency of which must have been to abode for the night in some neighboring house

> no one came to my assistance. Lauw had to niake my bed for the night in my hule car, which is only five feet long and two feet wide, this mode of spending the night i should not with rain, anxiously wishing for morning to arrive. I.e. with the Irish executive, who is also a member ing the necessity of the supporters of the gav seph Thompson with the respects of Ira Wilk-Ternment making as respectable a personal apand the recipient hid to pay letter post apearance as possible and suggesting in the most alt gether satisfied that the suggestion came within the splice of the others duties of his correspondent very good instancely provided himself with a new hat of the most approved shape and quality, but as trishing a seldoin lose in opportunity of affecting a jake, the honora ble member made a visit to to his correspond-

> "How do you like my hat. ' Very much indeed 'replied the official

ent, and after the usual salutation, usked him

And the shape? interrogated the hon-gen tleman, "I hope you like that also? The shape, inswered the functionary, " is

quite unobjetionable I am glad of it, 'said our Irish member

and I issure you, whenever I in ike any where your indement on the occasion, as my arbiter elegantiurum

The efficial started the letter was produced It was a lio k. The two gendelinen laughed heartily, and parted without committing or even threatening a breach of the peace

DIED.

OBITUARY Died on the 21st of August list at Columbus Miss supply Thomas Jeffferson Foнвes, Esq aged 34, after being sick ten days of a 'congestive fever'. He was a native cf. this city the son of Mr Wm Foib s, and a unued from day to day till concused in The North American Lunder (cu) Such was his reputation as a classical scholar, that the honors of C llege awarded him were trenly and in the motified life was also to member of the 'Franklin Society,' a literary institution, having some conn xion with the dendulary - a society honored by the membership of several of the most distinguished -cholars in the Union Having completed his collegia course Mr Forbes rend Liw with Mr William son of this city, and was it nitted to the Bar of the Courts in this conner in 1829. A few years Our citizens abroad would don't less like to 2 1-2 rules. He cold was now incense and let his native city and his profession, for some Jefferson and Patrick Henry and other worthy know smething about the health of our city. The water which was condensing from the gas literary employment better suited to his genus sons of the Old Dominion, now dead, once We have conversed with several physicians of and run in g down the neck of the balloon, to zero and table Being a rithead scholar, and a till the water which was condensing from the gas literary employment better suited to his genus and trule Being a rithead scholar, and a till the water which was condensing from the gas literary employment better suited to his genus. qualred the water to invigorate their limbs to extens ve practice who state that the epidemicis into icicles and hung around the si k and colver ented teacher he found conforment at differ ent places westward as an acidemical instructor

and settling at length in Columbus became two years since, the Editor and proprietor of the Southern Argus, a popular newspiper published in that town. Here he distinguished himself for his ability. I arning and accomplishments. The obituary in that paper, which is manifed in mourning thus speaks of him

"Mr Forbis who was its able and talented editor, by the amenity of his manners and the excellence of his disposition, called around in a wherever he went, a large care of hos in riends while the high respect entertained of him by the citizens of Columbias was fully evinced on the day of his burnal, the funeral procession being as large if not the largest, of any one ever witnessed in this town '
